Attention All Providers:

On December 11, Linda Belcher and Betty Miller, registered nurses in the Alabama Medicaid Agency's Outreach and Education Unit, were killed in an automobile accident while enroute to a workshop in Mobile. During their tenure, they made numerous presentations to providers on the Patient 1<sup>st</sup> and EPSDT programs and their loss to the Agency and provider community will be tremendous. During this time of transition, please contact Paige Jackson at (334) 242-5148 or by email at [pjackson@medicaid.state.al.us](mailto:pjackson@medicaid.state.al.us) if you have questions or educational needs.
